

Advance Psychotherapy Practice Post-Graduate Fellowship (PGF) 2023 Cohort

Advance Psychotherapy Practice (APP) will be welcoming five candidates to the 2023 Post-Graduate Fellowship in August. This is an exciting opportunity for recent Masters-level graduates to hone their clinical practice in the supportive environment of a private group practice, while receiving advanced generalist training. Under the guidance and training of seasoned clinical supervisors and mentors, Fellows will primarily practice clinically while rotating through a series of Fellowship Seminars to cover a myriad of cutting-edge clinical topics.

This is a two year Fellowship and will fulfill the requirements for independent licensure. Clinical work will happen in-person and remotely from one of our three locations: Amherst, Northampton, or Southwick.

Proposed Fellowship Seminars 2023-2025 (subject to change)

Trauma-Informed Micro and Mezzo Practice
Integrative Health Model of Care
Multidisciplinary Care Coordination
